

# CITY OF INDIANOLA PROJECT UPDATE - MAY 2013

## May 2013 City Projects

### STREET DEPT. PROJECTS

When visiting the square, you have probably noticed the majority of the curbs are cracked and/or broken. The Street Department will be repairing these curbs and will work diligently to complete these repairs prior to main events taking place on the square.

The first week of May, the Street Department will also be re-painting lines, arrows, crosswalks, etc. This is done every spring to help with the damage caused by the winter season. The outline for the painting project is below and is expected to last for 1 month.

- \* Iowa & Hwy 65/69
- \* Hwy 92 & Buxton Ave
- \* The Square
- \* Bike Trail Crossings, School Crossings, Handicap Parking, Curbs, Etc.

The Street Department will also be replacing concrete that has been damaged on South "O" Street & West 14th Street.

### COMMUNITY DEV. PROJECTS

There are many construction projects happening in Indianola, some of which are rather exciting!

Monterrey Mexican Restaurant, located at 1303 N. Jefferson is performing alterations to the former Indianola Family Restaurant.

Napoli's Italian Restaurant, located at 117 E. Salem (next to Crouse Cafe) is performing alterations to open their restaurant at the Suites on Salem.

### YMCA UPDATE

General Contractor, Larson & Larson Construction continues to stay on schedule with a proposed completion date of late summer 2013.

Scott Kruthoff has been hired as the Indianola's YMCA Executive Director. His prior experience includes 3 years as Executive Director at the South Suburban YMCA, and a total of 12 years with the organization.

### This Way to the Y!

Join the YMCA at an open house event to experience the path that is leading to the Indianola Y and see how the Y is strengthening communities. All are welcome to attend, learn about the Y, meet staff and find answers to your questions.

When: Thursday, May 16th  
4:00 - 7:00 P.M.

Where: Indianola Middle School  
No RSVP required, stop in anytime, families and kids are encouraged!

### WATER POLLUTION CONTROL PROJECTS

The Water Pollution Control Department has hired Municipal Pipe & Tool as the General Contractor for the Phase 4 I&I Project. Currently the contractors are working in the downtown area and will then move Hwy 65/69 and

Hwy 92 West. The project's overall location is South of Ashland

Ave., West of 5th St. and East of "G" St. It also includes the Deer Run area. You will notice construction from Municipal Pipe & Tool, United Pipe Renewal and J&K Construction in these areas. Work being performed includes: sewer main rehabilitation, cleaning of sewer mains, replacement of manholes, along with pavement removal and replacement. The project's estimated completion is December 2013.
